DOCKET NO. E-04204A-14-0031

DECISION NO. 74387ORDER

Open Meeting
March 11 and 12, 2014
Phoenix, Arizona

BY THE COMMISSION:

FINDINGS OF FACT

1. UNS Electric, Inc. ("UNS" or "Company") is certificated to provide electric service as a public service corporation in the State of Arizona.

Background

2. On February 3, 2014, UNS filed an application for approval of its revised Rider-3 Market Cost of Comparable Conventional Generation ("MCCCG") which is used in conjunction with Rider-4, Net Metering for Certain Partial Requirements Service ("NM-PRS"). UNS' Rider-3 specifies a standard rate to be paid for purchases of excess energy from Net Metering Facilities. The rate is listed on the UNS Statement of Charges. The last revision of the Rider-3 rate was approved by Arizona Corporation Commission ("Commission") Decision No. 73935 (June 27, 2013).

...

3. For Net Metering customers, each calendar year, for customer bills produced in October (September usage) or for a customer's "Final" bill, the Company credits the customer for any balance of excess kWhs remaining. Payment for the purchase of these excess kWhs is at the Company's applicable avoided cost. UNS has defined its avoided cost as the average hourly market cost of comparable conventional generation as specified on its proposed Rider-3 applicable to NM-PRS. Rider-3 indicates that the MCCCCG will be filed annually (by April 1) by UNS for Commission approval.

Proposed Tariff

4. UNS' proposed revision to Rider-3 would increase the MCCCCG and, therefore, increases the avoided cost rate from 3.6653¢ per kWh to 3.697¢ per kWh for purchases of excess energy from Net Metering Facilities.

5. Staff has reviewed UNS' hourly marginal costs that resulted in the 3.697¢ rate and finds the data and calculations to be reasonable.

Recommendations

6. Staff has recommended that UNS' revised MCCCCG as applicable to Rider-4 NM-PRS be approved.

7. Staff has further recommended that the avoided cost rate of 3.697¢ per kWh should be effective with the first billing cycle in June.

8. Staff has further recommended that UNS file a Statement of Charges consistent with the Decision in this case within 15 days of the effective date of the Decision.

CONCLUSIONS OF LAW

1. UNS is an Arizona public service corporation within the meaning of Article XV, Section 2, of the Arizona Constitution.

2. The Commission has jurisdiction over UNS and over the subject matter of the application.

3. Approval of the revised Rider-3 MCCCCG does not constitute a rate increase as contemplated by A.R.S. Section 40-250.

...

1 4. The Commission, having reviewed the application and Staff's Memorandum dated
2 February 25, 2014, concludes that the revised Rider-3 MCCCCG should be approved as discussed
3 herein.

4 ORDER

5 IT IS THEREFORE ORDERED that UNS Electric, Inc.'s revised Rider-3 Market Cost of
6 Comparable Conventional Generation as applicable to Rider-4 is approved as discussed herein.
